++ Valid for broadcast between 0600 and 1800

Headline:
Mainly fine with some warm sunshine.

Today:
Fine and dry with some warm sunny spells, and with light winds expected throughout. Perhaps becoming a little cloudier later, especially in the north and west. Maximum temperature 24 deg C (75 deg F).

Tonight:
Becoming more generally cloudy, perhaps with the odd spot of rain during the evening. Clearer for a time later in the night, although further showers possible around dawn. Breezy. Minimum temperature 12 deg C (54 deg F).

Monday:
Rather cloudy to start, with a few light showers during the morning. Remaining breezy but becoming brighter later, with some sunny spells developing ahead of a cloudier and damp night. Maximum temperature 22 deg C (72 deg F).

Outlook for Tuesday to Thursday:
A quiet few days weather-wise: mainly dry but probably becoming increasingly cloudy. Temperatures around average, although some mild nights are likely given more extensive cloud cover.
